

Electronic Patient Record (EPR) Implementation Support

We provide specialist financial and project management support to NHS Trusts undertaking the implementation of an Electronic Patient Record (EPR) system. With extensive experience in NHS finance, business case development, and strategic project management, we help ensure a smooth transition to digital healthcare.

Financial Support

Business Case Development: We support NHS Trusts in preparing Green Book-compliant Outline and Full Business Cases (OBC/FBC), ensuring robust financial and economic cases, including the completion of NHS Comprehensive Investment Appraisal Models.

Cost-Benefit Analysis: We conduct comprehensive financial modelling, evaluating costs, benefits, and return on investment to justify EPR implementation.

Funding and Budget Planning: We assist in securing funding, aligning budgets with NHS strategic priorities, and ensuring compliance with financial regulations.

Risk and Sensitivity Analysis: We identify financial risks and model scenarios to mitigate uncertainties in EPR investments.

Benefits Realisation: We support the formulation and validation of benefit schemes, as well as the ongoing monitoring and reporting.

Contract Negotiations

Negotiation Support: Our experts assist in negotiating contracts with EPR vendors, ensuring optimal terms and conditions.

Risk Mitigation: We identify and mitigate risks associated with contract agreements.

Project Management Support

Programme Governance & Oversight: We establish and manage governance structures, ensuring stakeholder alignment and accountability.

Implementation Planning: We develop detailed project plans, timelines, and resource allocation strategies to streamline EPR deployment.

Change Management & Stakeholder Engagement: We support Trusts in managing organisational change, engaging clinicians, IT teams, and senior leadership.

Performance Monitoring & Benefits Realisation: We track progress against KPIs, ensuring that financial and operational benefits are delivered as planned.

Engaging Presentations: We prepare and deliver compelling presentations to NHSE and Trust Boards, highlighting the strategic benefits and financial implications of EPR implementation to obtain approvals.
